Welcome!

Congratulations! We are very excited for Triple Threat this year and are so excited to have you be a part of this very special group. It's going to be a wonderful year! We have different packages available for the Triple Threat students and realize that each student is on their own individual journey and has their own artistic goals. We honor and respect that each family also has a budget to work within and we want to extend discounts to our Triple Threat families for additional classes and lessons. We appreciate that you have chosen the Acting Studio and we are here to help you reach your goals!
